## **Speeches**

There is a great collection of speeches on the historychannel.com site. The complete list is at <http://www.historychannel.com/speeches/archive1.html>.

Another at <http://www.pbs.org/greatspeeches/timeline/> The files sometimes play in Real Audio which means your computer has to have the Real Audio Player (free download at <http://www.real.com/> - See the *Speeches Resources* page for more information and sample list.

### **Archived broadcasts – In various formats.**

<http://archive.museophile.sbu.ac.uk/broadcast/> - the master list  
<http://www.vlib.org/> The virtual library of the World Wide Web

Here are some record labels and sites that feature podcast-legal music:

- [AudioFeeds.org](http://AudioFeeds.org)
- [Kahvi Collective](http://Kahvi Collective)
- [PodSafe Audio](http://PodSafe Audio)
- [PromoNet](http://PromoNet)

### **Free Audio Resources for Kids**

There are lots of useful audios and even some videos of speeches and productions of various types available here, including novels, stories, poetry, and more.

### **American Rhetoric**

American Rhetoric is the Internet's leading resource for free downloadable and streaming audio of historical speeches.

**NEW! - Free Music Program** Apply to get free access to many quality pieces of music and sounds.

Note: Although these sites tested safe in September, the Net changes by the minute so be wary of downloads not in a normal music format and violations within the system network.
