

A Special Christmas

By:

Christmas is a very special holiday. I love Christmas because I go shopping, I decorate the house, and I spend time with my family.

One reason Christmas is very special is because of the shopping. Shopping is the best part about Christmas. This year I'm going to get my mom jewelry, get my dad a new computer screen, and my sister a Barbie doll.

Another reason Christmas is so special is because I decorate the house. Decorating the house is always a joy. Every year my sister and I put ornaments on the tree. On the first week of December my dad puts lights on the house. Sometimes at school we make decorations for Christmas.

In addition, Christmas is special because I love spending time with my family. After I wake up, we sometimes watch the parade on t.v. After we get dressed, we go to my grandma's house, and we have a dinner. Then we go to my mom's cousin's house to make delicious cookies.

So you can see Christmas is a very special holiday to me. On Christmas, I always look forward to spending time with my family, shopping, and decorating the house. Christmas is my favorite holiday of the year!
